CTSM

# Center for Translation Studies & Multilingualism

*Let's Speak to the World*

## WHO WE ARE:

Our team of experts consists of academicians, researchers, professional translators, and management leaders having PhDs in their relevant areas and with extensive experiences spanning from 10 to 30 years.

## OUR VISION:

We constantly strive to transcend language barriers and enhance cultural understanding using sophisticated academic, and technological tools.

## OUR MISSION:

We are dedicated to providing quality services for language solutions, enhancing understanding & practice of translation and interpretation, fostering excellence in translation training, research & publication and promoting linguistic and cultural diversity through effective communication across languages.

## WHAT WE DO:

- **Translation & Allied Services:**

We offer quality services in multilingual translating, interpreting, localization, transcription, editing, voice over, subtitling, dubbing, research-based content development and all related solutions. Our services cover a number of languages such as Arabic, English, Urdu, German, Chinese, Persian, Romanian, Punjabi, Sindhi, Pushto & Dari.

- **Language Teaching & Assessment:**

CTSM Department of Language Teaching & Assessment provides quality services for language learning & Assessment/Certification. Assessment services are offered in Arabic so far, whereas CTSM facilitates learning of many international Languages.

- **Education and Training:**

We envisage, do need assessment, plan, and implement technology-based pedagogical training workshops/solutions for translating, interpreting, language teaching, localization, voice over, subtitling, dubbing and all other linked areas. CTSM has a YouTube Channel for the promotion of Translation, Multilingualism, and multicultural understanding.

- **Research & Publications:**

-> CTSM publishes a trilingual research journal: **Journal of Translation and Multilingualism (JTM)** (Arabic, English and Urdu). Our research Journal attracts diversified academicians and researchers par excellence from all over the world.

-> CTSM also publishes books under one of its subsidiaries: **Jalal Publishing House, Islamabad.**
